**Re: Doe 1, et al v. Perkiomen Valley School District, et al.**  
**Docket No. 2:22-cv-00287**

Dear Judge Beetlestone:

Please allow this correspondence to serve as Plaintiff's response to Defendants' letter request for additional time to respond to Plaintiffs' motion for attorney's fees (ECF No. 85). While the Defendants have stated a request for additional time to respond, they have not provided any basis whatsoever for their request. At Defendants' insistence and prior to billing judgment review, Plaintiffs' counsel provided their detailed billing records in April. In return, Defense counsel shared multiple US District Court opinions weighing against the Court determining that Plaintiffs were the prevailing parties. Since the Defendants are not entitled to discovery, have evidently researched the issues prior to the instant motion, and have not communicated a necessity for an extension, Plaintiffs are not aware of any basis for granting the Defendants' request.

Thank you for your kind attention to this matter.

Respectfully submitted,

CARMEN A. DE GISI, ESQUIRE
